

UL 514A CSA

Dimensions
= mm

Applications: For use in branch circuit wiring in wet, damp, or dry locations. Designed for use as a weatherproof junction box, and may be used with round cluster covers and round lampholder combinations. Extension adapters are used to increase box capacity and allow the installer to add "take-offs" to new boxes/devices.

Product Features:

- Rugged die cast aluminum construction
- Reinforced connector outlets
- State-of-the-art powder coat finish
- Cast-in mounting lugs provide fast, secure installation
- Includes multi-lingual instructions each package
- Boxes: Includes four closure plugs, installed ground screw
- Adapters: Includes installation hardware, closure plugs, gasket
- Covers: Includes installation hardware, gasket
- UL Listed - Standard 514A and CSA Certified - C22.2 No. 18
