

## Product Index and Overview of Catalog Sections

### PRODUCT FINDER

- Product finder — An easy way for intuitive product specification.
- Subdivided into main sections and subsections up to product groups and individual data, our catalog includes a variety of informations.
- Product finder also offers documentations, datasheets, informations about stock availability, technical and physical details where applicable.
- The documentation only includes an abbreviated list of goods and does not represent all available products from our company.
- If you are interested in a particular product, which is not listed in our catalog, please submit your inquiry.
- Accuracy of given product informations is not guaranteed and are subject to be changed without notice.

### ABOUT OUR PRODUCT RANGE

- Our product range is international and includes almost all segments of the electric industry all over the world.
- We offer one of the largest and most diverse product ranges of electrical, electronic and electromechanical devices in the market.
- Our direct contacts with manufacturers, global connectivity and international distribution meets the needs of our customers.
- Visit our online catalog at: [www.BiaOnline.com](http://www.BiaOnline.com) to learn more about our product range.

### SECTIONS

- **Appliance Couplers**  
Appliance Couplers, Plugs, Inlets, and Outlets
- **Ballasts**  
Electromagnetic, electronic, dimmable, HID, Sign, Compact fluorescent ballasts
- **Cable Glands**  
Cable Glands and Fittings, Threaded Couplings and Accessories
- **Climate Devices**  
Climate Devices, Controls, Heating and Cooling Equipment, Fans, Blowers
- **Communication**  
Telephone Products, Communication, Voice and Data Accessories
- **Computer Hardware**  
Hardware, Cable Assemblies, Gender Changer and Accessories
- **Electrical Distribution and Control**  
Switchgear, Contactor, Pressure and Limit Switch, Breaker, GFP, Push Buttons
- **Enclosures and Cabinets**  
Enclosures, Cabinets, Raceway Systems, Wireway and Accessories
- **Explosion Proof Devices**  
Explosion Proof Devices, Lighting, Control, Switchgear, Cable Glands
- **Flexible Tubing and Pipe**  
Conduit and Tubing, Flexible and Rigid, Connectors and Fittings
- **Fuses and Holders**  
Fuses, Holders, Safety Switch, Power Distribution and Terminal Blocks
- **Lamps and Accessories**  
Incandescent, Fluorescent, and Lamps for Special Applications
- **Luminaires and Accessories**  
Lighting Fixtures, Fluorescent Starter, Floodlights and Accessories
- **Measuring instruments**  
Metering Devices, Multimeters, Circuit Testers, Meters and Test Leads
- **Plug Adapters, Travel Plugs**  
Travel Adaptors, Molded Adaptors, Converters and Multi Travel Plugs
- **Power Cords and Cordsets**  
Power Supply Cords, Cord Sets, Extension Cords and Cable Drums
- **Power Supplies, Transformers**  
Transformers and Power Supplies, Inverters and DC Power Supplies
- **Signaling Devices**  
Signaling Devices, Audible and Visual, Indicators and Sensors
- **Wire and Cable**  
Wire and Cable (flexible and solid), Portable Cord, Building Wire and Armored Cables
- **Wiring devices, Connectors**  
Electric installation material, Plugs, Sockets, Outlet Strips, Accessories
- **Miscellaneous Devices**  
Miscellaneous Devices, Tools, Fasteners, Motors and Safety Equipment, etc.
- **Solutions**  
Equipments for Container and Wind turbines, Plugs by continents and countries, Products by countries
- **Technical Informations**
- **Latest Product Updates**
